The floor plans are provided for illustrative purposes only. They are not drawn to scale. The dimensions provided of 'width' and 'length' are the actual dimensions of the completed house including Alfresco areas. No allowance has been made for any council regulations or estate requirements. It is the home owners responsibility to ensure that the house will fit on their land and that all applicable council regulations and estate requirements are met. The image of each facade is for illustrative purposes only and may contain items that are examples of upgrades options which may be included at additional cost. Images may also include items not supplied by Hotondo Homes.

To proceed:

- Inspect the land. Then pay an initial fee to the builder of \$1000. This includes a site survey, initial drafting of plans on site and a build contract including the tender as a fixed price. Drafting fees to modify the design, if required are from \$500. Tender accepted, a deposit of \$9000 is paid toward the preparation of documents for contract and submission of plans for approval. Note: The initial \$1000 and \$9000 fees are accounted for in the total estimated build price.
- Non-registered land only. The deposit is paid in two instalments. \$5000 is required to lock in pricing and for the preparation of plans and documents for contract and readiness for submission of plans to Council for approval. The balance is required at the time of submission. A \$400 monthly fee maintains the tender price for 12 months.
